

**Sale runs:
Sept. 8—28, 2020**

**PICK-UP DATE:
October 3/20**

We're having an on-line plant sale.
And, you are an important part of it!

SPRING BULBS IN SUPPORT OF THE CROWN POINT GARDEN CLUB

Botanus is a Canadian company operated out of BC by three women entrepreneurs. When we asked them if they would support our Fall Plant Sale, they said, unequivocally 'YES!'.

Here's how it works:

1. Visit www.botanus.com to browse through their selection and choose what you'd like to order. They have a wonderful catalogue and many interesting and useful pages on their [website](#).
2. Register for a Botanus account here: <https://www.botanus.com/customer/account/create/>
3. **BEFORE placing your final order:** Email service@botanus.com to tell them you are a member of the Crown Point Garden Club and ask for the coupon code. Your email can look something like this: "Hello, I am a member of the Crown Point Garden Club and would like the fundraiser coupon code for my order. Thank you!"
4. Place your order with the coupon code **before October 31, 2020** and Botanus will donate **5% of the profits from your purchase to the Crown Point Garden Club.**
5. If you would like to share/reduce shipping costs, feel free to group with neighbours and fellow garden club members and have one person place the order for the group.
